Competition information and general regulations:

The festival is open to both individual modelers and members of modeling clubs or organisations from our country and from abroad. Models must only be made from the following materials: plastic/resin or metal (photo-etched, castings) for stand-alone montage, to qualify for rating.

Please Note! Models which won any prize in the previous years will not qualify for ratings this year.

Each modeler can participate in each category with any number of kits, made by himself/herself. However, only the best rated kit of the modeler in the category will be considered for final judging. Each category will be divided into subcategories according to the age of the modeler: youngsters (up to 13yo), junior (from 13 up to 18yo) and senior (above 18yo). Organisers stipulates to join or split categories.

Starting charges are:

5,00 PLN for juniors and

10,00 PLN (ca. 2.00€) for seniors.

It does not matter how many models a modeler enters with.

Members of IPMS Poland and youngsters are exempted from the starting charges.
